

- *As a lean, hands-on organization, we respond with a sense of urgency*
- *Our customers' success is paramount*

**Jeff started part-time at Vantage in 2010, and is now a lead hand.**

**Reacting with a sense of urgency, he has been a huge resource in the various departments he's worked in: receiving, shipping, and production.**

**Jeff's ability to understand computer systems has helped him to climb quickly at Vantage. We previously had a gap in the area of a cut lead on lines 3 and 4, and Jeff has helped to fill that in the short time he has been there.**

**Jeff also has a great ability to make sure things are done correct, the first time; and takes the opportunity to learn and understand when they aren't.**

**Thank you, Jeff!**
