

Quality is Everyone's Job 1

Maria Roxas

Winnipeg Service Centre
September 2011

Maria has been a Team Member at the Winnipeg Service Centre since May 2007.

Acting as the Back-Up Lead Hand on the Bone-In Line, Maria has taken on responsibilities, including recognizing standard run times, data collection, crewing, and, most importantly, Quality.

Maria ensures current product meets our customer's unique requirements. She posts the "Current Spec," and helps to train staff on the importance of Quality.

Maria has a wide range of talents that she displays daily on the Production Floor. Always willing to help, Maria not only displays Quality in her finished work, but in her day-to-day tasks on the Production Floor.

Thank you, Maria, for your commitment, and for recognizing that "Quality is Everyone's Job 1."
